## Viewing cable 06SANJOSE910, COSTA RICA RESPONSE TO UNHRC - CANDIDACY OF IRAN

If you are new to these pages, please read an introduction on the [structure of a cable](#) as well as how to [discuss them](#) with others. See also the [FAQs](#)

### Understanding cables

Every cable message consists of three parts:

- The top box shows each cables unique reference number, when and by whom it originally was sent, and what its initial classification was.
- The middle box contains the header information that is associated with the cable. It includes information about the receiver(s) as well as a general subject.
- The bottom box presents the body of the cable. The opening can contain a more specific subject, references to other cables ([browse by origin](#) to find them) or additional comment. This is followed by the main contents of the cable: a summary, a collection of specific topics and a comment section.

To understand the justification used for the classification of each cable, please use this [WikiSource](#) article as reference.

### Discussing cables

If you find meaningful or important information in a cable, please link directly to its unique reference number. Linking to a specific paragraph in the body of a cable is also possible by copying the appropriate link (to be found at the paragraph symbol). Please mark messages for social networking services like Twitter with the hash tags **#cablegate** and a hash containing the reference ID e.g. **#06SANJOSE910**.

SUBJECT: COSTA RICA RESPONSE TO UNHRC - CANDIDACY OF IRAN

REF: SECSTATE 66050

Classified By: Charge Russell L. Frisbie for reasons 1.4 (b)  
and (d)

On the sidelines of a dinner hosted April 26 by the Ambassador for the incoming cabinet, Foreign Minister-designate and current U.N. Permanent Representative Bruno Stagno confirmed that Costa Rica will oppose Iran's candidacy for the Human Rights Council (the new government will take office May 8 and all foreign policy instructions are being vetted by the incoming minister). Stagno noted the work underway in the Community of Democracies context and expressed support for it, while noting the consensus-based, decision-making nature of the Community. Costa Rica has yet to define which countries it would support for the HRC, he said.
